RE: *Zayas v. 233 Ninth Corp., et al*
21cv10170 (ER)(JLC)

Dear Judge Ramos:

I represent the plaintiff in the above referenced action and, with the consent of the Defendants, jointly seek an extension of time to file an application to reopen. This is the second request for an extension of time to reopen.

On November 29, 2022, the Court granted Plaintiff's motion for an extension of time to file an application to reopen. (*See*, Doc. #30). Presently, the deadline to reopen is January 9, 2023. Parties are trying to finalize the terms of the settlement agreement. However, because of the holidays and attorneys' vacation time, we respectfully request an additional 30-day extension of time to reopen. The additional time will provide parties a fair opportunity to finalize the terms of the settlement agreement.

Thank you.

Respectfully,

/s/ James E. Bahamonde
